Hanoi ziggurat game

The object of the game is to move all the discs through Tower 3 (with your mouse). But you can't place a larger disk on a smaller disk. There is a flash version copyright © 2018 MathsFun.com Hanoi Ziggurat is the classic Tower of Hanoi brain game with 3D graphics and swipe controls. Your goal is to move a pile of plates (the tower) to another pole in the same order - largest at the bottom and smallest at the top. The trick is to place only one disk at a time, and the rules prohibit you from moving the disk to the top of a smaller disk.
